**THE IMMIGRATION BILL.**  
The bill passed by the General Assembly for the encouragement of land-purchasers and actual settlers in Virginia, and to repeal an act approved March 29, 1873, entitled an act for the encouragement of immigration, has been approved by the Governor. The bill is as follows:

1. Be it enacted &c. That for the purpose of this act the Governor of Virginia, the Speaker of the House, Secretary of the Commonwealth, Auditor of Public Accounts, and Treasurer, are hereby constituted a permanent State Board. The Governor shall be president of the Board and upon his call they shall assemble for the transaction of business at the capitol, at least once in every month, a majority to constitute a quorum; and they are hereby invested with the powers and charged with the duties herein prescribed.

2. The Board may from time to time, as they deem expedient and necessary to carry out the purposes of this act, cause to be printed in pamphlet form or otherwise, under the supervision of the Superintendent of Public Printing, such information as they deem judicious and necessary, with such maps attached as may best serve to explain the geographical and commercial relations of this State and mark her lines of internal and external communications, for gratuitous distribution.

3. When the Board shall have secured a summary as authorized by the act passed March 29, 1873, they may cause an edition of the same to be printed in pamphlet form, under the supervision of the Superintendent of Public Printing, in whole or in part, with such modifications as they deem best for the purposes of this act; and from time to time as the demand may justify and require, may cause other editions to be published, and may enlarge or diminish the contents, or otherwise modify the matter and style of publication as to them shall seem best; provided, however, that at no time shall any publication be authorized which shall exceed in cost the actual amount to the credit of the fund in the hands of the Treasurer of the Commonwealth appropriated for the purposes of the act; and the said publications provided for in this section, and such other publications as the Board may publish, collated from the said summary or from the reports Nos. 1 and 2 of Commodore Maury, "The Physical Survey of Virginia," or from the "Geographical Survey of Virginia," by Prof. Wm. B. Rogers, shall be delivered to the secretary of the Board, who shall deposit the same in his office, make an announcement of the fact of publication, place of deposit, and terms of sale, through the public press; and furnish copies to any person or association who may desire them for distribution, at rates equivalent to the cost of publication.

4. All sums of money authorized to be expended by the provisions of this act shall be paid out of the fund hereinafter created, by warrant of the Auditor of Public Accounts, upon the order of the Board, and all proceeds of sales collected by the secretary of the Board shall be deposited by him in the Treasury to the credit of said fund.

5. The Register of the Land Office shall be secretary to the Board, and shall keep a record of their proceedings. He shall likewise keep a separate account of his transactions as authorized and required in the foregoing sections of this act, and make report annually to the General Assembly.

6. All publications made by authority of this act shall be authenticated by the Governor, under the seal of the State, and issue as by authority and direction of the Commonwealth of Virginia.

7. The Board may appoint agents in this and foreign countries, fix their compensation and prescribe their duties, and make arrangements for the transportation, reception, care, proper treatment, and protection of settlers, and for facilitating them to their respective destinations.

8. The said Board may contract with the owners of real estate, or with licensed land agents who have or may hereafter contract for the sale of lands belonging to others, and any land association, for the sale of all lands that may be entrusted to them for that purpose; and to this end they shall keep a registry in its office of all such real estate and other property entrusted to them for sale, with a full and accurate description thereof. And the said Board shall have authority to adopt and prescribe all such rules and regulations as may be deemed necessary to facilitate the object of such Board, and may require for the purpose of defraying the expenses of said Board the payment to it of a fixed or graduated percentage upon all sales effected through its instrumentality, care being taken that such arrangements shall be just and fair to all parties concerned and to all sections of the State.

9. For the carrying out of the purposes of this act there is hereby appropriated and set apart, in addition to any funds in the hands of the Board of Immigration, to the credit of said Board, and payable upon its requisition from time to time, as the same may be needed, the sum of ten thousand dollars, payable upon the warrants of the Auditor of Public Accounts upon the Treasurer of the State out of any money in the treasury not otherwise appropriated; and the said Board shall not have the power to make its expenditures, on any account whatever, to exceed the said appropriation.

10. The Board shall report to the General Assembly annually the number of immigrants settled in the State, from what country they have emigrated, and where settled, and the salaries paid its officers.

11. The Act of the 29th of March, 1873, so far as it creates a Board of Immigration and as to all of its provisions inconsistent with this Act, is hereby repealed.

12. The Act shall be in force from its passage.

The Symptoms of Liver Complaint are unsteady and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general constive, sometimes alternating with lax. The head is troubled with pain, dull, heavy sensation, considerable loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Often complaining of weakness, debility, and low spirits. Sometimes many of the above symptoms attend the disease, and at other times very few of them; but the Liver is generally the organ most involved.

## DOLLAR CORSET

**IN THE CITY.**  
Dress Makers recommend it as being the best Corset to fit a dress over, because it cuts in such a manner that the front and back seems to fit like seams to a dress.

And it is superior to any other Corset now in use, because its peculiar style of cutting gives sufficient fullness at the bosom, without folding at the top; gradually and closely fitting to, and over the hips, is longer front and back than ordinary Corsets, and in fact is the only Corset cut in this form.

In addition to the DOLLAR CORSET will be found a large assortment of other makes at the following prices—\$1.25, \$1.50, \$1.75, \$2.50, \$3.50 and \$5.

Governor's Office, Richmond, July 3, '74. It affords me pleasure to say that I am well acquainted with a large majority of the officers of the Montpelier Female Humane Association who reside in the vicinity of my home, and attest their intelligence and their worth and high reputation as gentlemen, as well as the public confidence, influence and substantial means liberally represented among them.
